

IT'S ALL ABOUT THE TORTILLA

Make no mistake, it's all about the tortilla. Each one is pressed on the spot. No two the same. Like snowflakes, only prettier, and much better suited for bundling up beans and salsa.

VIVA LA BOB THE TOOL

With bob's help, we've torn down the walls that once stood between meat and rice, between beans and salsa. Ingredients can now co-conspire as one. Bob has single-handedly revolutionized burrito building forever.
